OUR STORY

Our fearless leaders, Sophie & Chef Jacques Chrétien and their children, know how to deliver a wow factor. Whether it's a destination wedding or an intimate dinner with friends, it will be memorable, elegant and flawless. The word "no" is not in their vocabulary, which is why clients rave about them.

What truly differentiates us in the competitive landscape is our five-senses approach to creating spectacular and unique events that will leave you suspended in a moment with the profound longing to relive that moment again and again.

We create events from a theatrical point of view, with a beginning, middle and end. We shape a tempo that keeps clients in awe and surprised.

We design an experience using the five senses, through a subtle yet powerful scent wafting through the room or just-right lighting that captures a mood or delightful music that stirs emotions

Chef business owner & entrepreneur Jacques Chrétien, throughout his international career, has constantly established, a unique culinary identity, the guarantor of French gastronomy.

Chef Jacques Chrétien, was one of the five chefs in Mexico for over 15 years, with the title Maître Cuisinier de France (held since 2005), a distinction only bestowed on the most elite chefs in the world.

With his wife Sophie, they arrived in Saint Lucia, 10 years ago, and were seduced by this beautiful island, and its people. During 8 years, Chef Jacques was the Executive Chef & F&B Director of Sugar Beach Viceroy Resort, a multi-award winning property. Chef Jacques Chrétien, who has also collaborated with such famed restaurants as La Tour d'Argent (3 stars Michelin) in Paris, Chez Bruneau in Brussels and the brand Maxim's, is a proponent of the classic and elegant traditional French cuisine that leaves nothing to chance. Pioneer in the soul, generous by nature, cooking is for him a part of pleasure where everything revolves around the love of sharing and to please.

Alongside with his wife, for over 35 years, they had the honor to organize several exclusive events such as the closing dinner in celebration of the ATP Los Cabos Open Tennis Tournament, the Renewed Wedding Vows of Matt Damon, the 12th Wedding Anniversary of King Charles III & Lady Diana and lately, the Wedding & Vacation Stay of a renowned French film producer, in our Beautiful Saint Lucia.

OUR MAIN LOCATION IS SAINT-LUCIA, WHICH WE PROUDLY CALL HOME. ITS BEAUTY, LUSH MAGNIFICENCE WILL ASTOUND YOU.

SAINT LUCIA IS NO ORDINARY ISLAND

Equal parts beauty and mystique, Saint Lucia captivates anyone who sets foot on her coastline. Always evocative, she welcomes visitors with her soothing waves, warm beaches, and hospitable people. The only sovereign nation to be named for a woman, the island personifies adventure and inspiration. Her visitors invariably find themselves reluctant to leave and eager to return.

A perfect island destination for a perfect event. St Lucia is located halfway down the chain of islands known as the Windward & Leeward Islands, the Southern Caribbean. Located in between St Vincent & Martinique, who will be our closest neighbor. There are around 179,000 beautiful smiling St. Lucians at last count. St-Lucia is 27 miles long and 14 miles wide, a total of 238 sq. miles. Our Team has selected St Lucia's most finest & unique locations to choose from for any celebrations.

Our Sumptuous island offers many activities for each individual. Whether your preference is to lie on a secluded beach or setting foot on one of many nature trails available, St Lucia covers it all.

Sailing or speeding down the coast, snorkeling in crystal clear water, diving a 100' wall, windsurfing, kayaking, or simply swimming in Caribbean warm waters... Our west coast, the Caribbean side of the island, has all of this, and more.

Outdoor activities such as zip-lining through the rainforest at high speed, driving a dune buggy along adventurous roads, or climbing one of our famous Piton mountains to view the island from the top of the world. Explore the interior and marvel at the flora, fauna and wildlife along stunning rainforest trail, see wild birds in their natural habitat, bathe in waterfalls and Sulphur baths.

Explore our history and visit working plantations producing cocoa, bananas and coconuts, drop into museums and heritage sites, watch fabric dyers and sugar cane processors or wander in awe around our beautiful cathedral. Or simply stop, indulge in a day at the spa, play a little golf or catch up on your readings...

WE PLAN EVERY KIND OF CELEBRATION

BIRTHDAYS

Your birthday celebration should be as special as you! If you want a birthday party to remember, Our team is your one-stop shop. We plan sophisticated, glamorous and fun birthday parties. Exclusive access to private venues, flowers artfully placed and candles aglow – we will make your birthday as wonderful, fun and interesting as you are. We pride ourselves on setting trends rather than following them, which means your birthday celebration - whether it's your 21st, 40th or 75th - will be one-of-a-kind.

ANNIVERSARIES

Shouldn't we honor the commitment we made – whether it was one year ago or 50 years – with an affair to remember?

An anniversary is a milestone celebration that should mirror the commitment, love and devotion of you and your spouse. We can help you and your partner create an anniversary celebration, whether for just the two of you or 200 guests.

Our reputation for first-class events is because we work with our clients to make sure their dreams come alive. We take time to find out what makes a couple tick – fine food, award-winning wines, classic art, jazz music, sense of adventure – and incorporate that into their celebration.

BAR OR BAT MITZVAHS

MAZEL TOV! Our team can bring to life a celebration with meaning, magic and wonder. We can help you develop a unique theme or bring to life your wildest dreams. We'll go beyond amazing bands, candy buffets and photo booths to make this special day worthy of all the hard work your son or daughter has put into becoming a bar or bat mitzvah. This Jewish coming of age ritual marks an important moment in your child's life and should reflect their personality, passions and promise for the future. Let us take the pressure off of planning so you can focus on your child, friends and family. Imagine a festive celebration in an exclusive restaurant or an exclusive dinner aboard a private yacht - no idea is too big, too small or too over-the-top for us to execute.

CELEBRATION

OUR GOAL AS EVENT PLANNERS IS TO ELEVATE YOUR BRAND, TELL YOUR STORY AND WOW YOUR GUESTS.
