STUDIO BY MIRAVAL

Coming from plots on the French Riviera, surrounded by olive trees and pine trees, Studio by Miraval is strongly influenced by the sea sprays and the proximity of the Mediterranean Sea. These salty soils give the wine a unique character and an amazing balance.

TASTING NOTES MILLÉSIME 2023

Colour: Clear/ Pale Pink (Fine and Elegant)

Nose: Superb aromatic bouquet with notes of red berries and cherry blossom.

Taste: Vivacious, and distinguished with a refinement that is heightened by delicious notes of blood orange and perfectly balanced by a lovely mineral structure and just the right hint of bitterness.

CHAMPAGNE TOAST

For many, Champagne is more of a pre-food cocktail than a pairing wine. Sure, you might enjoy it with hors d'oeuvres at a party or while sidling up to a raw bar—and we wouldn't turn down a glass with dessert—but when it comes to the main event, all too often, Champagne gets shuffled aside.

Champagne is a sommelier favorite for its ability to play well with all sorts of foods.
